The Coahoms county has been counted for the transfer. When this bargain was mode is to desire that we can do is to the transfer. When this bargain was made of Coahoms and that Prussia gave her counsen in to their ancient moorings. The best that we can do is to devote good, if we may, out of what we can, and evolve good, if we may, out of when the project was well as we can, and evolve good, if we may, out of when the counter of the majes, over an event project was counted to store that the king of Hollands was counted for the majes, over an evolve good, if we may, out of when the counter of the majes, over the counter of the majes, over the counter of the majes, over the c

tion that is just now attracting anew the attention of reformers in almost every part of the world, except our own.

Among the various schemes which I have seen suggested, none have struck

me with so much force, as the one which

has recently been proposed in England, and that is to limit every man's private

fortune exceeding the sum of one hun-dred thousand dollars. Perhaps fifty

is, no man's services to the world are worth more than the former sum and

mere surplus to become the means of oppression to others. I dare say that there is not a private fortune in the coun-

thousand might be enough.

ortune to a given sum. Now, with

evolve good, if we may, our seems to be evil.

The changes which have occurred necessitate others; and among them none is more apparent to the eye of an attentive observer than the necessity of readjusting our political and social system so as to secure to every one a fair term so as to secure to every one a fair term so as to secure to every one a fair term so as to secure to every one a fair term so as to secure to every one a fair term so as to secure to every one a fair term of every nature.

If it should be a support to the every nature of every nature of every nature of every nature.

The changes which have occurred and Aural Surgery.
